

Scholarship Program for Art Education Students

College of Education (COE) scholarships described in this document are available to Art Education and/or Art Therapy students admitted to the college whose cumulative grade point average (GPA) is at least 3.2. These awards are presented to eligible and qualified students per the provisions established by the scholarship donors for the individual scholarships. The recipients are selected by the College of Education Scholarship Committee in conjunction with Art Education faculty.

The application can be found at the end of the list of available scholarships. Applications cannot be submitted online; they must be printed out and hard copies submitted to the Dean's Office at the address below. If you do not have access to a computer, the computers in the Education Technology Center in the Education Building are available to you during regular lab hours.

Unless otherwise indicated in the scholarship description, recipients will have one academic year—three consecutive semesters--to use up a scholarship award. ***Unused scholarship funds after the end of an academic year will be forfeited.***

Applicants will be notified in writing (via U.S. Mail) approximately one month before the semester begins whether or not they have been awarded a scholarship.

Scholarships are awarded three times a year. **Applications will be accepted only during the periods listed below:**

For scholarships for the Fall semester: July 1-31

For scholarships for the Winter semester: November 1-30

For scholarships for the Spring/Summer semester: April 1-30

Whether or not you are awarded a scholarship, you may apply again in subsequent semesters, but you must submit a new application each time.

All applications must be submitted to: **Art Education Scholarships, Office of the Dean, 441 Education Building, 5425 Gullen Mall, Wayne State University, Detroit, MI, 48202.**

Applications must be ***POSTMARKED WITHIN THE RANGE OF DATES LISTED ABOVE.*** Applications cannot be submitted via fax.

Review the instructions and your application carefully to be sure that you have included all required materials. Incomplete or late applications will not be processed, and the college will NOT inform you if your application is incomplete.

IMPORTANT NOTE REGARDING TRANSCRIPTS: It is the applicant's responsibility to obtain and provide copies of all necessary transcripts. A Pipeline version of your WSU transcript is acceptable. We will also accept a student copy of your WSU transcript or a legible photocopy, or a legible photocopy of an official WSU transcript. If you need to obtain transcripts from another institution, we will accept unofficial, i.e. "student" transcripts or legible photocopies of student transcripts, or photocopies of official transcripts, but in any case the transcripts must be enclosed with your application. **Do not have transcripts sent directly to the College of Education from another institution--your application will be considered incomplete and disqualified for consideration even if the transcript is subsequently received.**

The College of Education does not award or administer Graduate Professional Scholarships. Graduate students may obtain information on Graduate Professional Scholarships by contacting the Graduate School's Office of Scholarships and Fellowships, 4302 Faculty Administration Building, (313)577-4327, FAX (313)577-2903, or at:
