

If you are currently studying or interested in Art and/or Art Education this is the perfect UICA volunteer opportunity for you!

This April, UICA will provide all 1,100 GRPS 7th graders with an exciting arts and cultural field trip based on our exhibition, *Associations*. The objective of this field trip is to align themes and concepts within *Associations* with the GRPS 7th grade social studies curriculum. As a volunteer for this program you will be working alongside UICA staff to help facilitate docent led tours and hands-on activities that make relevant connections between cultural history and contemporary social issues.

To learn more about this volunteer opportunity or sign up for one or more of the shifts listed below contact Becca Schaub at artworks@uica.org or 616 454 7000 x17.
